Who Should Attend?

This **CMMC Online Platform Workshop Series** is designed for organizations directly or indirectly supplying to the DoD as contractors, subcontractors, or suppliers who are or will be subject to CMMC FAR 52.204-21 (Level 1) and DFARS 252.204-7012 (Level 2).

Attending this online workshop series will also be of significant value for CMMC Compliance Experts (RPOs) and Managed Service Providers (MSPs) serving clients subject to CMMC.

Why Should You Attend?

Simply put, the CMMC Online Workshop Series presented by SMPL-C® helps organizations reduce the cost, time, and risk associated with achieving and maintaining CMMC compliance. Navigating CMMC requirements can be confusing without the right tools. That's where we come in.

SMPL-C®'s AI-guided CMMC Gap Assessment Tool streamlines your CMMC compliance journey by breaking it into manageable tasks. We are the first platform to develop a TurboTax-like tool with a secure, CMMC/NIST-trained LLM that simplifies complex terminology, making it easy to understand and guide the next steps based on implementation status and document completeness scoring. For Managed Service Providers MSPs serving CMMC clients, our platform, paired with online workshops, optimizes efficiency, consistency, and service quality across multiple engagements, ensuring a clear path to certification.

CMMC DAY 2025 EXCLUSIVE WORKSHOP OFFER PRESENTED BY SMPL-C®

What to Expect?

- **Onboarding:** The onboarding process takes **30 minutes** to get you up and running with the **SMPL CMMC® Platform**.
- **Bi-weekly Meetings:** You'll have bi-weekly online training sessions with a **dedicated Customer Success Manager**, who will provide ongoing platform support.
